A black and white manga-style illustration. In the center, a giant insect, resembling a scorpion or a large beetle with long pincers, stands on a rocky outcrop in a valley. The valley is filled with dense, dark foliage. In the background, there are jagged, mountain-like peaks under a cloudy sky. In the foreground, several large, dark, spiky structures, possibly parts of a giant robot or a mechanical device, frame the scene. A speech bubble is located in the upper right, and a text box is in the lower left.
